

There are no translations available.

The following files are provided as additional material of our study:

#### CUMULATIVE SKEW DIAGRAMS

- a."cumulative mononucleotide skew diagrams"
- b."cumulative dinucleotide skew diagrams"
- c."cumulative odds ratio skew diagrams"

#### SKEW DIAGRAMS AND FITTED LINEAR MODELS

- d."structural changes of mononucleotide skews along the plus strand"
- e."structural changes of mononucleotide skews along the CDS concatenates"
- f."structural changes of dinucleotide skews along the plus strand"
- g."structural changes of dinucleotide skews along the CDS concatenates"
- h."structural changes of odds ratio skews along the plus strand"
- i."structural changes of odds ratio skews along the CDS concatenates"

#### DISTRIBUTION OF SKEWS WITHIN THE COMPLETE DATASET

- j."skew quantile tables and explanatory comments"
