

The Institute of Biosciences & Applications continues its Graduate Course Programme, which has been successfully carried out for the past 30 years. This Programme includes:

1. Training of young scientists at the postdoctoral level
2. Pre-graduate and graduate thesis work
3. Courses at the graduate level
4. Lecture Contributions to the Summer School of the NCSR “Demokritos”

Finally, the educational endeavours of the Biology Institute also include those accomplished by [Dr. K. Stamatakis](#), who gives informative seminars to High School, University and Military School students.
